*When I'm Gone*

When I come to the end  
of my journey  
And I travel my last weary mile,  
Just forget if you can,  
that I ever frowned  
And remember only the smile.  
Forget unkind words I have spoken;  
Remember some good I have done,  
Forget that I ever had heartache  
And remember I've had  
loads of fun.  
Forget that I've stumbled  
and blundered  
And sometimes fell by the way.  
Remember I have fought  
some hard battles  
And won, ere the close of the day,  
Then forget to grieve for my going,  
I would not have you sad for a day,  
But in summer  
just gather some flowers  
And remember  
the place where I lay,  
And come in the shade of evening  
When the sun paints  
the sky in the west  
Stand for a few moments beside me  
And remember only my best.

### *Creation's Watch*

All creation seems to watch  
Awaiting a day to come  
Even nature will be changed  
At the final setting sun

Deep in rustic beauty  
On mountain tops around  
A distant call is heard by all  
Filled with eternal sound

A promise held to all who hear  
Whispers in the wind  
And dances on the waters  
A call to enter in

A final place of peaceful life  
That never fades away  
All creation is made new  
At the sunset of that day

- Sherrie Bradley Neal -

### *Creation's Flight*

With every changing season  
The sky has seemed to say  
Lift your thoughts toward heaven  
Come and fly away

Through life there is a beckon  
Toward a final flight  
The seasons are preparing  
A change from faith to sight

And then one day it can be heard  
Seems nature hears it too  
The time has come to journey  
To a place prepared for you

Rising toward the cloudless day  
On gentle winds to glide  
Toward that final season  
Where eternity abides

- Sherrie Bradley Neal -
